Professional Website Analysis & Recommendations

Prepared for: Creseada International Limited

Attention: Daniel Akhimie (Export Manager(Port Logistics))

Analysis Date: 9/21/2025

Quality Score: 6.3/10

Executive Summary

This analysis identified 2 key improvement opportunities for Creseada International Limited's web presence. Addressing these issues could significantly improve user experience and conversion rates.

Key Issues Identified

1. Page title too long (64 chars) - truncated in Google search results

2. Slow website loading: 4.6s (should be under 3s) - losing potential customers

Recommended Solutions

• Optimize images, enable compression, and minimize resource requests

Next Steps

1. Schedule a 15-minute discovery call to discuss your specific goals

2. Review detailed technical requirements and project scope

3. Receive a custom proposal tailored to your business needs

4. Timeline: Most improvements can be implemented within 2-4 weeks
